NOTICE! Everyone must fill out a registration form. This worked quite well last year, making it easier for our treasurer to keep accurate records. *(As far as we know nobody got lost in the chips last year.)*

Dues for 2011-2012 are payable by October 1st. Please use the handy form above and send it to Lee Olson, 5625 Maryland Ave. N., Crystal MN. 55428-3317, or pay to your local chapter treasurer. Please do this as soon as possible. If renewal is not received by October 25th, no more newsletters, reminders, or dunning notices will be sent!

If your mailing label has A10/11" on it you need to take action now. If your mailing label has A10/12" you are good to go until October 2012. It is possible if you paid your dues through an outstate chapter they did not get to Lee in time to be updated before the mailing labels were printed. Don't panic, but do keep an eye out for your November newsletter which you should receive around the first of November.

If you are not a subscriber of the *Carver's News*, this will be your reminder to renew your membership, and consider subscribing.

For those seeking commission work

We would like to establish a list of carvers who would like to do commission projects. These requests usually come from our website. There are probably about 10 per year, but this could increase as the word gets around that our members are willing to do these projects.

If you are interested in doing commissions please indicate your willingness to do this and what type of carvings you would like to do for hire to our webmaster, JD Hughes, at MNCarvers@CarvingForFun.com. The webmaster will need an e-mail address where you can be notified when a request comes from cyberspace. You would then get in contact with the requester to work out all the details. We would like the webmaster to be kept informed of any action you have taken, so he can keep track of the request. If our members do not take any action within 10 days, the request will be put out to the public on our website.
